1 blurred. And I think you agreed with me on that.

2 A Yes. Yes, I did.

3 Q And after doing something so wrong, that
4 something being use of excessive force, you didn't see
5 it as wrong anymore, did you?

6 A Some instances of excessive force, you do
7 see as wrong. Things like using a closed fist to
8 defend yourself in a fist fight, you don't see that as
9 wrong anymore.

10 Q Isn't it true that you felt like you lost
11 touch with the humanity of the people that were coming
12 in there?

13 A Yes, sir.

14 Q And that you treated a lot of people as
15 numbers and tried to process them as effectively as
16 possible, but forgot that you were dealing with human
17 beings, and that was a fault of yours?

18 A Yes, sir.

19 Q What is the professional standards arm of
20 the jail?

21 A It's pretty much an internal affairs.

22 Q And who was in charge of professional
23 standards?

24 A I believe it was Steve Campbell, at the
25 time.
